(Affiliated to University of Mumbai, Approved by AICTE)

4. Resolution and Action:

- Appropriate action is taken based on findings.
- Steps may include counselling, corrective measures, disciplinary action, or policy recommendations.

5. Communication of Decision:

- The decision or resolution is communicated to the complainant in writing.

Admission Procedure

PROCEDURE FOLLOWED FOR FIRST YEAR ENGINEERING ADMISSION FOR INSTITUTE LEVEL QUOTA - 2025-26.

1. Display of Published Advertisement (Copy Attached)
2. Application Received by Preference.
3. Display of Provisional General Merit List.
4. Display of Admission Schedule
5. Final Merit List.

Schedule of Activities for First Year Engineering Admission 2025-26

Sr. No.	Activities	First Date	Last Date
1.	Sale & Submission of Application Forms	17/08/2025	01/09/2025 at 5.00 P.M.
2.	Display of Provisional General Merit List	07/09/2025 at 11.00 A.M.	
3.	Submission of grievances if any	08/09/2025 Up to 5.00 P.M.	
4.	Display of Final Merit List	09/09/2025 at 11.00 A.M.	
5.	Reporting of the candidates to the Institution for confirmation of Admission	09/09/2025	13/09/2025 up to 5.00 P. M.

PROCEDURE FOLLOWED FOR DIRECT SECOND YEAR ENGINEERING ADMISSION FOR AGAINST CAP VACANCY ROUND A. Y. - 2025-26.

- 1 Display of Published Advertisement (Copy Attached)
- 2 Application Received by Preference.
- 3 Display of Provisional General Merit List.
- 4 Display of Admission Schedule
- 5 Final Merit List.

Schedule of Activities for Direct Second Engineering Admission 2025-26

Sr. No.	Activities	First Date	Last Date
1	Sale & Submission of Application Forms	17/08/2025	01/09/2025 upto 5.00 P.M.
2	Display of Provisional General Merit List	07/09/2025 at 05.00 P.M.	
3	Submission of grievances if any	08/09/2025 Up to 05.00 P.M.	
4	Display of Final Merit List	09/09/2025 at 11.00 A.M.	
5	Reporting of the candidates to the Institution for confirmation of Admission	10/09/2025	13/09/2025 upto 6.00 P.M.

10.12	Criteria and Weightages for Admission		<p>BE/B.Tech Eligibility Criteria 2025</p> <ul style="list-style-type: none"> ❖ The BE/ B.Tech eligibility criteria for biotech/biomedical engineering requires the candidates to pass Biology at the qualifying examination and then appear for MHT-CET. ❖ For BE/ B.Tech in all other courses apart from biotech/biomedical engineering, candidates should have passed the class 12th exam of Maharashtra State Board of Higher Secondary and Secondary Education or CBSE exam or any other equivalent exam of a Board, Council or University outside of Maharashtra with subjects such as Physics, Chemistry, English and Maths with a minimum of 45% marks for general category and minimum 40% for backward categories (from Maharashtra) in Physics, Maths and Chemistry together.
10.13	List of Applicants		<p>List of candidates whose applications have been received along with percentile/ percentages core for each of the qualifying examination in separate categories for open seats. List of candidates who have applied along with percentage and percentile score for Management quota seats (merit wise) – Refer on Website.</p>

10.20	Best Practices adopted, if any		<p>Best Practice 1:</p> <p>1. Title of the Practice: Professional Enhancement of Faculties.</p> <p>2. Objective:</p> <p>We are living in a scientific era, where technology is changing very fast. So it is very important for faculties in professional teaching to keep them updated. Our college management decided to allow their staff to upgrade qualification and skills whenever required. The knowledge so acquired in-turn will be reflected in the teaching-learning process and beneficial to the students.</p> <p>3. The Context:</p> <p>Latest developments in technology have had tremendous impact on professional education.</p> <ul style="list-style-type: none"> • For good teaching-learning process associated faculty members have to keep them up-to-date with latest development. Knowledge of latest development is mandatory. It has great impact on professional education. • With a change in AICTE policies, M.E. and Ph.D. degree has become mandatory for acquiring various teaching posts. • Understanding the need for professional development of existing faculty members, management allowed them to pursue higher degree. Faculty members are allowed to work on research papers or organize activities leading to research or take up higher studies. <p>4. The Practice:</p> <p>In order to focus on the professional development of faculty members,</p> <ul style="list-style-type: none"> • Encourage faculty members to pursue higher studies, paper publication, presentation etc. • Enhance the teaching learning process by encouraging faculty members to participate in Short Term Training Programs / Workshops / Conferences, etc. • Encourage faculty members for higher studies leading to Ph.D. wherein faculty member is relieved for attending research related activities. This would enable them to concentrate on research and produce quality outcome. • Encourage supporting, non teaching staff to remain up dated with latest technological developments or to pursue higher degree for Career advancement. <p>Best Practice 2:</p> <p>1. Title of the Practice: Students associations and council</p>

			<p>2. Objective:</p> <ol style="list-style-type: none"> 1. To bring out talents of students and use them for their betterment. 2. To help students to sharpen their skills so that they can manage their own affairs. 3. To inculcate team-spirit and provide environment to work as a team. 4. To give practical lessons in management, organization, group behavior, planning, finance, fund-raising etc. and thus to equip the students to face job-market with confidence. <p>3. The Context:</p> <p>In order to create a sense of belonging in each student and to show their potentials, institute introduced good practice of having Student council and Student's Association of each department.</p> <p>4. The Practice:</p> <p>Every Department of the college have their own Student Association of professional bodies. Committee members for this association are selected by respective HOD and in charge faculty of respective department. Once the committee is formed, then student's activity of every department is planned properly for the academic year.</p> <p>Student Council represents all the students of institute. Every year members of the Student Council for various posts are selected by a committee of Principal, all HOD's and in charge staff of student council and sports. Student Council organizes co-curricular and extra-curricular activities at institute level like sports (Krida Ratna), Technical Festival (Colosseum), College Festival (Odyssey) etc. During Technical Festival Student council and Student Association of respective department organizes technical events.</p>
